Response received 8/14/02:

Dear Elaine,

The \$25,649 reported in Account 421 on the 2001 Annual Report is interest on debt principal.

Thanks,

Karen Simons  
Town of Bellevue

email 7/25/02:

During our review, we noted \$25,649 reported in Account 421, Miscellaneous Nonoperating Income, page F-2, described as "mill tax revenue". Last year, you indicated this was for interest on debt principal. Is this still the case? If not, please furnish an explanation. In the future, please describe exactly what mill revenue is to be used for.

During our review, we noted \$10,228 reported in Account 421, Miscellaneous Nonoperating Income, described as "other miscellaneous revenue". In the future, please note that all amounts, whether individual or grouped items, greater than \$10,000 should be explained.
